

IT'S
NEARLY the 2011

Sheffield Business Awards

CELEBRATING EXCELLENCE IN ENTERPRISE FOR 10 YEARS

AND WE NEED A TROPHY

Design the Award Trophy COMPETITION

To celebrate the 10th anniversary of the Sheffield Business Awards, we have decided to re-design the trophy. We are looking for a redesign of the official trophy, given to each of the 12 award winners.

Specifications: The winning design must be able to be manufactured from pewter, max height 40cm, include space for the Made in Sheffield stamp, SCCI logo, and an area to engrave 4 lines of text (category name, winners name).

Designs can be hand drawn but must clearly show trophy dimensions. Designs can also be submitted as CAD drawings.

The winner will be selected by Sheffield Chamber of Commerce and will be announced during the first week of October. The winner will receive two VIP tickets to the Awards evening, plus the honour of their own design being used as the official 2011 Sheffield Business Awards trophy.

Final submission deadline Friday 30th September. Submitted in electronic format to design@scci.org.uk. If you have hand drawn designs, either scan the image in and send to the above email, or post to: SCCI Design Department, Sheffield Chamber of Commerce, Albion House, Savile Street, Sheffield, S4 7UD.

For any more information, please contact the design department via the above email.
